1. Please explain why you would like to serve on a particular Board, Committee, or Commission. If necessary add additional sheets.

I have been a town resident for 40 years and have used the open spaces extensively. In that time, I have seen the use of those areas increase and this has created pressure on the spaces. There are so many people with diverse interests using the land that I have noticed increasing conflicts that could be prevented by a comprehensive management plan. I feel I have a great understanding of the spaces and can make valuable contributions.

2. Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.

I have an under grad degree from URI and a Masters in Nutrition from BU. I am a program director and professor at ASCC. I understand group dynamics and work well in that setting. I am a member (or have been) a member of Audubon and am an outdoor enthusiast with clear understanding of environmental and recreational balance.
