1. Please explain why you would like to serve on a particular Board, Committee, or Commission.
If necessary add additional sheets.

I saw an announcement in the paper about the formation of a new committee to ensure that the projects that were deemed necessary during the CPA debates were still given the attention they deserved and that they would still be accomplished by the citizens of Amesbury. I would like to be a part of that process and show that we do not need a new tax to accomplish these goals. I am willing to put in the time necessary, to see this to fruition.

2. Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office.
If necessary, attach additional sheets or your resume.

I am a Facilities and Construction Project Manager for Pentucket Bank as well as a Unrestricted Construction Supervisor in the State of Mass. I have over 20 years in construction, various trades and management and feel I could be a valuable asset in seeing many of these projects to completion with both technical and fiscal goals in mind.
