BILL No. 102

  
Michael Hogg, District 6 Councilor

### An Ordinance to create a Town Forest Conservation Area

**Summary:** A measure to create and protect a Town Forest Conservation Area, in order to preserve open space and provide for passive recreational use that promotes the quality of life of Amesbury residents and for the preservation of natural resources, under the provisions of M.G.L. c. 40, §8C, as it may hereafter be amended; M.G.L. c.45 §3, as it may hereafter be amended; and of Article 97 of the Massachusetts Constitution, as amended. Land would be placed under the care and custody of the Conservation Commission, to be known collectively as the Amesbury Town Forest. Current uses would continue.

*WHEREAS, the Woodsom Farm property, purchased in 1989 (See Essex South Registry of Deeds Book 9963 Page 330), represents the largest contiguous open-space parcel in the City's possession; and*

*WHEREAS, the Town Forest and contiguous parcels on the southside of Lions Mouth Road and northside of Kimball Road have been used by Amesbury residents for passive recreation for decades; and*

*WHEREAS, the original purpose for the parcels comprising Town Forest as noted in various recorded deeds has been to preserve it for the use and pleasure of the residents of Amesbury; and,*

WHEREAS, the Town Forest parcels identified in this ordinance and accompanying map are contiguous to the Great Swamp, Conservation Commission Land known historically as "Lot 17", property under the care of Essex County Greenbelt, and parcels of the Woodsom Farm Parkland and Conservation Area as well as the Margaret Rice Conservation Area; and

WHEREAS, the National Recreation and Park Association (NRPA) and the Cooperative Extension Service standards suggest that 43 acres of recreational open space is needed per 1000 population (Master Plan, NR-7 Natural Resource Element); and,

WHEREAS, given the current population of Amesbury of approximately 17,000 persons, then this standard suggests open space of approximately 731 acres of which approximately 130 acres is met by the total area of Town Forest and the Great Swamp parcels noted below; when combined with over 350+ acres of other parcels at Woodsom Farms provided with similar Article 97 protections, the City will have nearly met the recommended goal;

therefore,

**Be it Ordained by the City Council of the City of Amesbury assembled and by the authority of the same, as follows:**

- a. That the City of Amesbury shall place the following parcels and portions of the area known as 'Town Forest' and 'Great Swamp A, B and C' as reflected on the plan sketch "Woodsom Layered Map" and as described below under the care, custody and control of its Conservation Commission or its successor entity:
