Which Board, Commission or Committee are you applying for?

Health Care Trust Commission

Other:

Please explain why you would like to serve on a particular Board, Commission or Committee.

As long time former Executive Director of The Pettengill House Inc., and social worker, and counselor I believe I have a great deal of experience and knowledge in the area of basic needs pertaining to health and well being. I also know the Amesbury community and area collaborators very well.

Please briefly describe your education and any relevant work or life experience or other activity which, in your opinion, would be beneficial in carrying out the responsibilities of this office. If necessary, attach additional sheets or your resume.

I have a Masters of Education in Psychology and Counseling, and am a Licensed Social Worker, and an Alcohol and Drug counselor and Trauma Specialist. As indicated earlier I believe my 25 year experience with The Pettengill House Inc. Social Service Agency (and contractual City of Amesbury community and school district social service agency) has provided me with an abundance of knowledge, information and connection with City of Amesbury, its community partners and at-risk residents in need. I am continuing to work P/T with Pettengill House as Community Education Liaison Consultant and believe the mission and work of the Amesbury Health Care Trust Commission aligns closely with my experience.

Please list any City offices you have held in Amesbury or elsewhere. Please share the name of the Office held, the date you were appointed or elected, and the date when your term expired.

I served on the Recreational Marijuana Committee a few years back.

Public service on a Board, Committee, or Commission can be demanding. Please indicate the realistic time commitment you are willing and able to make.

2 - 4 hours per week

Additionally, please describe any standing commitments you may have which might conflict with set meeting schedules.

None associated with City of Amesbury and my other standing commitments do not conflict with current AHCTC schedule.

How did you hear about the vacancy on this City Board, Committee or Commission?
